**Organization Announcement
Atlas Maschinen GmbH, Ganderkesee, Germany**

**Ali Oflazoglu appointed as
Director Spare Parts**

Ali Oflazoglu has been appointed as **Director Spare Parts** for EXCAVATORS, reporting to me.

Ali joined the company as an apprentice in September 1996. He passed several departments. His last responsibility was the central inventory management of the spare parts.

In his new position he will be responsible for inventory management, technical support, shipping and the warehouse for the spare parts.

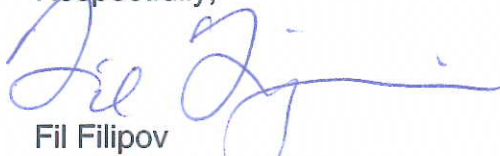

Ali will be located in Ganderkesee:
