

Announcement

Manu Lorraine Group to become GENERAL IMPORTER of ATLAS CRANES for France

Ganderkesee, May 2017 – **ATLAS GmbH** is pleased to appoint **MANU LORRAINE GROUP** as the **GENERAL IMPORTER** of **ATLAS CRANES** for France.

The Manu Lorraine Group is based in the Grand Est region of France and has already been a strong and reliable partner to ATLAS for more than 30 years. Since its establishment in 1986, Manu Lorraine have always been loyal to ATLAS with integrity and commitment. This important strategic move will serve to strengthen the position of ATLAS on the French market and contribute to the growth of ATLAS as well as of Manu Lorraine.

Operating with sub-dealers' technical and commercial staff, Manu Lorraine Group will provide customers with excellent service and spare parts availability for the entire French market.

If you are interested in joining the French network and developing the well-established brand of ATLAS, a manufacturer with almost 100 years of tradition and an excellent reputation for quality "Made in Germany", please do not hesitate to contact:
